

## What does the course offer me?

The Art and Design course presents the opportunity to explore a wide variety of Art possibilities from Fine Art, Graphics, Textiles, 3 dimensional work and Photography. Within these aspects there is a wider choice e.g. printing work, fashion designing, jewellery.

## How will I learn?

The Art course gives pupils an opportunity to work under the teacher's guidance and to arrive at conclusions and follow ideas independently. The individual's input is regarded as vital to success in the subject.

## How will I be assessed?

The coursework portfolio is assessed at the end of a series of lessons and the individual is given advice on improvements in the process. The portfolio contributes 60% of the GCSE and the final examination during the second year contributes 40%.

## Remember!
