

Who will deliver this course?

This course is delivered by Coleg Meirion-Dwyfor at Dolgellau and Pwllheli.

What will I learn?

Depending on the choice of units this course will help you to:

- Develop fundamental research skills, which underline all media production.
- Develop an understanding of how media products are constructed for specific audiences or markets.
- Develop your own 'visual language' through practical project work.
- Think about developing your skills and knowledge by considering what courses you could do next.

How will I learn?

You will be taught by experienced lecturers. The course is a mix of classroom and practical tasks. You will get a chance to prepare and practise your skills before you are assessed so that you know and understand what you will have to do.

How will I be assessed?

You will produce coursework and assignments which are assessed by your course tutors. There are no exams to sit on this course.

What happens after this course?

After Year 11, if you have completed this course successfully you could go on to study a relevant course at Level 3 or you could work towards more units at Level 2. You will also be well prepared for work, with a good range of transferrable skills, or you could eventually go on to study at higher education, or on a higher level training course within the industry. But, if you don't fancy carrying on with Media, you could choose other suitable qualifications depending on what you want to look at next. Your careers adviser will be able to help you with your choices when you leave school.

Job Ideas.

- Audio/Visual Production
- Advertising Production
- Digital Graphics
- Computer Games Development
